www.gnobromeliads.com

The Greater New Orleans Bromeliad Society has been part of New Orleans since 1972. Our society is dedicated to promoting and developing interest in Bromeliads through friendship and shared knowledge in cooperation with similar clubs throughout the world. We are a member of the world wide Bromeliad Society International.

Our meetings are held on the 2nd Thursday of the month at Longue Vue Gardens, #7 Bamboo Rd. (off Metairie Rd. near the parish line). Meetings begin at 7:15 and usually last till 9-9:30. Meetings usually include a program, a plant raffle, refreshments, and plenty of "bromeliad talk". Programs usually include slide shows, talks about growing, demonstrations on mounting, etc. Visitors are always welcome.

Membership dues are \$20 for individuals and \$25 for a family membership. Membership includes our newsletter, Potpourri, published four times a year.
